Statement of Intent

In our school, our Christian vision shapes all we do. All members of the school community are committed to upholding the St Michael's Church of England Christian values:

- to show love, care and kindness to all in our community
- to value what we have and to share with others
- to enable everyone to achieve their full potential

This policy aims ensuring that all children are safeguarded both during school hours and during out of school hours activities which are arranged by the school. The ultimate aim is to ensure that students at St Michael's Church of England High School can learn and enjoy extra-curricular experiences, in an environment where they are safe from harm.

The adoption and implementation of this policy will ensure that a clear protocol is in place for the admittance of external visitors to the school which is understood by all staff, governors, visitors and parents and conforms to child protection and safeguarding guidelines.
