## Introduction

### (AA Definitions)

Access arrangements are agreed before an assessment. They allow candidates with specific needs, such as special educational needs, disabilities or temporary injuries to access the assessment and show what they know and can do without changing the demands of the assessment. The intention behind an access arrangement is to meet the particular needs of an individual candidate without affecting the integrity of the assessment. Access arrangements are the principal way in which awarding bodies comply with the duty under the Equality Act 2010 to make 'reasonable adjustments'.

The Equality Act 2010\* requires an awarding body to make reasonable adjustments where a candidate, who is disabled within the meaning of the Equality Act 2010, would be at a substantial disadvantage in comparison to someone who is not disabled. The awarding body is required to take reasonable steps to overcome that disadvantage. An example would be a Braille paper which would be a reasonable adjustment for a vision impaired candidate who could read Braille. A reasonable adjustment may be unique to that individual and may not be included in the list of available access arrangements. Whether an adjustment will be considered reasonable will depend on several factors which will include, but are not limited to:

- the needs of the disabled candidate;
- the effectiveness of the adjustment;
- the cost of the adjustment; and
- the likely impact of the adjustment upon the candidate and other candidates.

An adjustment will not be approved if it:

- involves unreasonable costs to the awarding body;
- involves unreasonable timeframes; or
- affects the security and integrity of the assessment.

This is because the adjustment is not 'reasonable'.

## Purpose of the policy

The purpose of this policy is to confirm that St Michael's Church of England High School has a written record which clearly shows the centre is leading on the access arrangements process and:

- is complying with its obligation to identify the need for, request and implement access arrangements (GR 5.5)
- has a written process in place to not only check the qualification(s) of its assessor(s) but that the correct procedures are followed as per Chapter 7 of the JCQ publication Access Arrangements and Reasonable Adjustments (GR 5.4)

## 1. General principles

The general principles of access arrangements for St Michael's Church of England High School to consider include:

- The purpose of an access arrangement is to ensure, where possible, that barriers to assessment are removed for a disabled candidate preventing him/her from being placed at a substantial disadvantage due to persistent and significant difficulties. The integrity of the assessment is maintained, whilst at the same time providing access to assessments for a disabled candidate. (AA 4.2.1)
- The person who leads on additional learning support/special educational needs, must ensure that the proposed access arrangement does not disadvantage or advantage the candidate (AA 4.2.1)
- Although access arrangements are intended to allow access to assessments, they cannot be granted where they will compromise the assessment objectives of the specification in question (AA 4.2.2)
- Candidates may not require the same access arrangements in each specification. Subjects and their methods of assessments may vary, leading to different demands of the candidate. The need for access arrangements must be considered on a subject-by- subject basis. (AA 4.2.3)

- Access arrangements should be processed at the start of the course (AA 4.2.4)
- Arrangements must always be approved before an examination or assessment (AA 4.2.4)
- The arrangement(s) put in place must reflect the support given to the candidate in the centre (AA 4.2.5)
- The candidate must have had appropriate opportunities to practise using the access arrangement(s) before their first examination (AA 4.2.7)

The main elements of the access arrangements process detailing staff roles and responsibilities in identifying the need for, requesting and implementing access arrangements and the conduct of examinations are covered in the Disability Policy (Exams)..

## 2. The assessment process

At St Michael's Church of England High School, assessments are carried out by:

- an appropriately qualified assessor(s) appointed by the head of centre in accordance with the JCQ requirements (AA 7.3)

### **Details and qualification(s) of the current assessor(s)**

Michelle Hughes, Assessor

- Test User: Educational Ability/Attainment, British Psychological Society
- Certificate of Competence in Educational Testing, 2015, Dyslexia Action

### **Appointment of assessors of candidates with learning difficulties**

At the point an assessor is engaged/employed at St Michael's Church of England High School:

- Evidence of the assessor's qualification is obtained and checked against the current requirements (AA 7.3.4)
- This process is carried out prior to the assessor undertaking any assessment of a candidate (AA 7.3.4)
- A photocopy of the assessor's certificate(s) (or a printout of screenshot of HCPC or SASC registration) is kept on file (AA 7.3.1)

Additional information:

- Not applicable

### **Reporting the appointment of the assessor(s)**

- Evidence that the assessor(s) is/are suitably qualified is held on file for inspection purposes (AA 7.4.1)

When requested, the evidence will be presented to the JCQ Centre Inspector by Yvonne Wilcox, the Exams Officer..

- In the case of appropriately qualified psychologists (registered with the Health & Care Professions Council), or specialist assessors holding a current SpLD Assessment Practising Certificate, who are directly employed within the centre, there is no need to record the names of these individuals within **Access arrangements online**. (AA 4.4.2)
- The names of all other assessors, who are assessing candidates studying qualifications as covered by AA must be entered into **Access arrangements online** to confirm their status. This will include all other professionals working outside the centre. (AA 7.4.3)

### **Process for the assessment of a candidate's learning difficulties by an assessor**

St Michael's Church of England High School confirms:

- Guidelines for the assessment of the candidate's learning difficulties by an assessor will be followed and Form 8 (JCQ/AA/LD - Profile of Learning

Difficulties) will be completed (AA 7.5, 7.6)

- Arrangements must be made for the candidate to be assessed by an assessor (AA 7.5.1)
- Assessors must personally conduct the assessments. They must not sign off assessments carried out by another professional. (AA 7.5.5)
- The assessor must carry out tests which are relevant to support the application. (AA 7.5.6)
- A privately commissioned assessment carried out without prior consultation with the centre cannot be used to award access arrangements and cannot be used to process an application using **Access arrangements online**. (AA 7.3.6)
- Relevant staff working within the centre should always carefully consider any privately commissioned assessment to see whether the process of gathering a picture of need, demonstrating normal way of working within the centre and ultimately assessing the candidate themselves should be instigated. (AA 7.3.6)

Additional information:

- The assessor will follow the flowchart process to gather information, test pupils and provide feedback to staff

#### **Painting a 'holistic picture of need' confirming normal way of working**

St Michael's Church of England High School confirms

- Before the candidate's assessment, the person appointed in the centre must provide the assessor with background information, i.e. a picture of need has been painted as per Part 1 of Form 8. The centre and the assessor must work together to ensure a joined-up and consistent process. (AA 7.5.2)
- An independent assessor must contact the centre and ask for evidence of the candidate's normal way of working and relevant background information. This must take place before the candidate is assessed.

All candidates must be assessed in light of the picture of need and the background information as detailed within Part 1 of Form 8.

An independent assessor must discuss access arrangements with the person appointed in the centre. The responsibility to request access arrangements specifically lies with the centre. (AA 7.5.3)

Additional information:

The arrangements put in place must reflect the support given to the candidate in the centre\*, for example:

- in the classroom (where appropriate)
- working in small groups for reading and/or writing
- literacy support lessons
- literacy intervention strategies
- in internal school tests/examinations
- mock examinations

This is commonly referred to as 'normal way of working'. For candidates with learning difficulties, this is typically the background information recorded within Section A of Form 8 by the SENCo or the assessor working within the centre.

\* The only exception to this is where an arrangement is put in place as a consequence of a temporary injury or impairment.

### **3. Processing access arrangements**

#### **Arrangements requiring awarding body approval**

Access arrangements online (AAO) is used to apply for approval of arrangements for the qualifications listed within the JCQ publication **Access Arrangements and Reasonable Adjustments**.

AAO is accessed through the JCQ Centre Admin Portal (CAP) by logging in to one of the awarding body secure extranet sites. A single application for approval is required for each candidate regardless of the awarding body used.

Deadlines apply for each examination series for submitting applications for approval using AAO.

### **Centre delegated arrangements**

Decisions relating to the approval of centre delegated arrangements are made by The exams manager with the SENCo agrees any centre delegated access arrangements for candidates. These are based on the arrangements the candidates use on a day to day basis and to access internal assessments such as mock exams and take into account the difficulties the candidate has experienced and the remaining effects of these difficulties. Records of the arrangements are kept for each awarding body using appropriate forms. These are submitted as required to the awarding bodies by the deadlines set by them. Records kept for all access arrangements whether or not these are required by the awarding bodies.. Appropriate evidence, where required by the arrangement, is held on file by Yvonne Wilcox, Exams Officer..

- **The use of a word processor**

The Word Processor Policy (Exams) details the criteria St Michael's Church of England High School uses to award and allocate word processors in examinations/assessments.

- **Separate invigilation within the centre**

The Separate Invigilation Policy details the criteria St Michael's Church of England High School uses to award separate invigilation within the centre.

Additional information:

- Not applicable

### **Modified papers**

Modified papers are ordered through AAO.

- Modified papers must be ordered in advance of a specific examination series, no later than the published deadline for the series concerned (AA 6.1)
- Modified papers are individually prepared for candidates for whom other access arrangements are unsuitable. The modification of papers involves additional resources. Therefore centres are required to provide the awarding bodies with early notification that a candidate will require a modified paper. (AA 6.1)
- Modified papers must not be ordered for candidates unless they intend to enter them for the relevant examination series (AA 6.1)
- For the adjustment to be effective, the candidate must have had appropriate opportunities to practise using an awarding body's past modified papers before his/her first examination (AA 6.1)

### **Roles and responsibilities**

When an access arrangement has been processed on-line and approved, the evidence of need (where required) must be made available to a JCQ Centre Inspector upon request. An awarding body may also request evidence of need when considered necessary. This can either be in hard copy paper format or electronically. (AA 4.2.13)

Where access arrangements documentation is stored electronically an e-folder for each individual candidate must be created. The candidate's e-folder must hold each of the required documents for inspection. (AA 4.2.13)

It is the responsibility of:

- Yvonne Wilcox, Exams Officer, to collect a candidate's consent (a completed candidate personal data consent form) to record their personal data on-line through AAO
- Yvonne Wilcox, Exams Officer, to submit applications for approval through AAO

within the scope of AAO
