24th January 2022

Dear Parent/Carer

Following the government announcement this week regarding the end of Plan B measures in England, the staggered end to the day for **Years 7 to 10**, which was introduced as part of the school's COVID restrictions, will come to an end and, from **Monday 31st January 2022**, all students in these year groups will finish school at 3:00 pm.

In order to avoid increased congestions outside school at this time, may I politely remind you that the school car park is for campus staff and agreed visitors only. I would ask that parents/carers do not use it unless your child has a parking permit for disabled access. We must minimise the risks to our children, and it is, therefore, necessary for us to restrict the amount of vehicular access to the school grounds when students are leaving the premises.

Thank you for your support.

Yours faithfully
