Dear Parent/Carer,

RE: GCSE Results Day 12th August 2021

Teacher Assessment Grades were submitted to the exam boards on Friday 18th June. Staff followed a professional process to ensure that each grade your child achieved was based upon the evidence available to us, such as mock exam results and other previous assessments. These grades underwent a rigorous quality assurance process to ensure all students received a fair grade based on this evidence.

As in any other year, there will be some students who are very happy with their results and some who may be slightly disappointed. However, as a school, we want to support your child as best we can to ensure they successfully move on to the next steps of their education. If you have any queries regarding your child's move into college or sixth form, please contact pete.stafford@st-michaels.sandwell.sch.uk.

Results day will take place on Thursday 12th August and students can collect their results from reception. Each form group will have a half hour time slot to collect their results, beginning at 9 am. Students will have to queue outside, 2 metres apart, when waiting to collect their results. Whilst students are able to open their results outside reception, they must do so promptly and then leave the school site without congregating outside.

To reduce the risk of coronavirus, we need to reduce the number of people in the school building on results day. Consequently, whilst there will be support staff available on results day to speak to your child if they wish to discuss their results further, only a small number of teaching staff will be present. Parents must wait in their car or, if walking, parents must wait outside reception and stand at least 2 meters from other students and parents.

Your child will collect their results by form group and will not be allowed inside the school before their time slot below:

C	10:00 am
H	10:30 am
