maintains clear records of **all instances** where:

Purpose of the policy

The purpose of this policy is to confirm how St Michael's Church of England High School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect any declaration of interest from all centre staff to identify and manage any potential conflicts of interest..

Declaration process

A (insert form type e.g. hard/electronic copy) declaration of interest form is sent to (insert which centre staff) in (insert when). Completed forms must be returned to (insert who) by (insert when)

Managing conflicts of interest

A conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded on the log. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process. The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.
