

VISION STATEMENT

At St Michael's, our vision is centred on a commitment to excellence in learning and to high expectations.

School Aims

- † To foster a Christian Ethos in which everyone is equally valued as a member of the Family of St Michael's.
- † To provide a welcoming, safe, and caring environment in which our children and all members of staff are appreciated.
- † To provide a broad, rich curriculum with a wide range of learning experiences to meet the differing needs of individual children, whilst offering equality of opportunity and high standards of teaching.
- † To challenge and inspire our children to develop their intellectual curiosity and skills, and to become confident, independent, and resilient learners.
- † To prepare every child for the challenges and changes of the future by giving them opportunities to achieve the highest standards in their personal, physical, social, academic, and spiritual development.
- † To foster within each child a joy for learning and recognition that education is a lifelong process.
- † To provide opportunities for our children to make a full and rewarding contribution to the local and wider communities.
- † To be good role models for our children: emphasising respect and compassion for others and the world around us, so that they gain an understanding of and responsibility for the world in which we live.

Our Christian Values are explicitly linked to the Bible. They are:
