Statement of intent

In our school, our Christian vision shapes all we do. All members of the school community are committed to upholding the St Michael's Church of England Christian values:

- to show love, care, and kindness to all in our community
- to value what we have and to share with others
- to enable everyone to achieve their full potential

This policy has been created with health and safety, value for money, and practicality at its heart. It has been designed to ensure students wear clothing conducive to a successful learning environment. It is important that our students feel a sense of belonging and community through a smart and practical uniform.

We believe a uniform allows all students, regardless of background, to feel equal to their peers and confident in their appearance. We also believe it is important for activities to be facilitated by specialised and appropriate clothing such as sports specific attire.

St Michael's Church of England High School is committed to promoting equality and value for money and ensuring that no student is discriminated against due to their religion or belief, economic circumstances, or social and cultural background – this policy contains provisions to meet these objectives.

1. Introduction

- 1.1 St Michael's Church of England High School insists on high standards of uniform. It is important that students take pride in their appearance and are aware of the impression their appearance makes within the community. The Headteacher will be the arbiter in all matters relating to uniform, dress and appearance. Parents/carers and students are advised to consult a member of the Senior Leadership Team if they are considering uniform, dress or appearance changes that might conflict with the school policy.

2. Sanctions

- 2.1 Any student who arrives at school out of uniform, in unsuitable uniform, wearing inappropriate jewellery, or with an unsuitable hairstyle or hair colour may be removed from lessons and their parent/carer contacted. A record will be made in a student's file. If a student persistently ignores the uniform code, the school will need to employ further sanctions.

3. Aims and Objectives

- 3.1 Our policy for school uniform is based on the notion that school uniform:
- is practical, smart, and designed with health and safety in mind
 - promotes a sense of pride in the school
 - engenders a sense of community, shared identity and belonging towards the school
 - makes children feel equal to their peers in terms of appearance
 - is regarded as suitable wear for school and is considered by parents as good value for money

4. The Role of Parents

- 4.1 We ask all parents who send their children to our school to support the school uniform policy. It is the responsibility of parents to ensure that their child has the correct uniform and that it is clean and in good repair.
- 4.2 Parents should label all items of school uniform, including shoes and trainers. The school cannot accept any responsibility for items of clothing lost in school: parents must instil in children the concept that they are responsible for their personal belongings.

5. The Role of Governors

- 5.1 It is the governors' responsibility to ensure that the school uniform meets all the regulations concerning equal opportunities.
- 5.2 The governors will consider, with the Headteacher, any requests from parents for individual children to have a special dispensation, either for religious or medical reasons, with regard to school uniform.

6. Equality

- 6.1 At St Michael's Church of England High School, equality considerations are central to all that we do. We are committed to promoting equality of opportunity and to preventing all unlawful discrimination whether against individuals or groups on grounds of religion, age, race, gender, gender identity, physical or learning disability. Please see the school's Student Equality, Equity, Diversity & Inclusion Policy for more information.
