

13th May 2024

Dear Parent/Carer

I am writing to inform you about your child's upcoming end of year examinations in the weeks beginning the 3rd June and 10th June 2024. As in previous years, these assessments are vital in helping students to develop exam skills and revision techniques in preparation for Key Stage 4 and GCSE mock examinations from September 2024. It also enables staff to gain an accurate picture of the progress they have made during this year and allow students to be put into the appropriate groupings for GCSEs.

Formal assessments give students the opportunity to practice under examination conditions. It is important that students take these assessments seriously and revise thoroughly as it will help prepare them for mock exams in Year 10 and final examinations in Year 11. Your support in encouraging your child to engage with revision at home would be much appreciated. If you have any questions or concerns about this, please contact me on the number below.

Your child has been given a folder in which they will collect revision materials from their subject teachers to help them. These folders will then be given to their form tutor after the exams to reward students who have excelled in their preparation.

Thank you for your continued support of our school.

Yours faithfully

Mr D Howden
Head of Year 9
