Dear Parents and Guardians

Subject: Importance of Lockers During Y11 Mock Exam Period

As we progress through the mock examination period, we have observed that many students lack lockers to securely store their bags, coats, revision notes, and books during exams. We kindly remind you of the importance of students having lockers during this critical time and moving forward to the January and Summer exams.

Leaving bags and coats in corridors poses a fire hazard and is not a secure method for storing personal belongings. To address this, we offer lockers for students at a nominal fee of £1, with a £5 key deposit refundable upon key return at the end of the year.

To purchase a locker for your child, please make the payment via ParentPay. Once payment is confirmed, keys can be collected from the main reception.

If your child has lost their locker key, you can reorder a replacement through ParentPay.

Thank you for your attention to this matter and for supporting your child's success during the exam period.

Yours faithfully
