Statement of intent

In our school, our Christian vision shapes all we do. All members of the school community are committed to upholding the St Michael's Church of England Christian vision:

- to show love, care, and kindness to all in our community
- to value what we have and to share with others
- to enable everyone to achieve their full potential.

St Michael's Church of England High School recognises that students can be vulnerable to extremist ideology and radicalisation, and we are committed to protecting students from this risk as part of our safeguarding responsibilities.

Our commitment to safeguarding students against extremism, radicalisation, and terrorism includes interventions and collaboration with other agencies including the police and the LA where appropriate and as required.

We support and will adhere to guidance from the DfE, which requires schools to actively promote fundamental British values in order to enable students to challenge extremist views and ensure that students are encouraged to regard people of all faiths, races, and cultures with respect and tolerance.

This policy relates to the potential radicalisation of students at our school. For guidance on specific terrorist incidents, please see our Lockdown Policy and procedures.

Preventing radicalisation – moved from a separate section

- 6.10 The school will assess the risk of students being drawn into terrorism through identifying the factors that affect children in the local area and knowing how to identify those at risk.
- 6.11 Allegations and concerns of radicalisation and/or terrorism will always be taken seriously, and staff will act proportionately, which may include making a Prevent referral.
- 6.12 The school is aware that extremist propaganda is widely available online and will educate students to ensure that British values are promoted regularly to encourage students to develop an appreciation of society. The school will work with local religious and cultural organisations to instil a strong sense of identity in our students, as well as a clear place and purpose within the school.
- 6.13 All internet activity that takes place on site will be recorded, as well as activity on any school-owned computers, laptops, and tablets off site, and appropriate filters will be installed to protect children from terrorist and extremist material online, in accordance with the Online Safety Policy. In accordance with Keeping Children Safe in Education and our Child Protection and Safeguarding Policy, students will be taught about the importance of staying safe online through PSCE lessons.
- 6.14 The school recognises that students' parents and families are best placed to spot signs of radicalisation and, as such, will promote effective engagement with parents and families.
- 6.15 The school is stronger thanks to our open, multi-faith, and multi-racial community. We will always aim to integrate and engage every child within the school community and in the wider community.
- 6.16 The school will celebrate a range of different religious and cultural festivals across the year giving every child the opportunity to take part.
- 6.17 The school will monitor and assess incidents that suggest students are engaging, or are at risk of engaging, in extremist activity and/or radicalisation. Where a student has been identified as at risk of radicalisation, the school will take action proportionate to the incident or risk.

7. Identifying concerns

- 7.1 Although extremist behaviour can be presented in many forms, the school understands the following as the most obvious risk factors:
- disclosure about extremist or radicalised behaviour by students – this could include exposure to materials outside of school
 - use of specific terms associated with certain ideological views, e.g., 'hate' language
 - intelligence reports from local and national agencies regarding the radicalisation of groups of people in the local area
 - focus on specific narratives that highlight particular extremist views
 - evidence of accessing online materials that include extremist materials

- refusal to accept views expressed by others that are counter to the school's Equality Information and Objectives Statement
- documented concerns raised by parents or family members about the changing behaviour of the student
- references to an extremist narrative in students' work
- disassociation from existing friendship groups
- a loss of interest in activities which they previously engaged in
- asking questions about identity, faith and belonging
- behavioural characteristics, such as low self-esteem, isolation, and perceptions of failure and injustice
- family tensions
- events affecting their country or region of origin
- alienation from UK values
- grievance triggered by personal experience of racism or discrimination
- property damage
- refusal to cooperate with the requests of teachers or other adults

7.2 When assessing whether a student is at risk of radicalisation, staff will ask themselves the following questions:

- Does the student have access to extremist influences through the internet?
- Does the student possess or actively seek extremist material?
- Does the student sympathise or support extremist groups or behaviour in their speech or written work?
- Does the student's demeanour suggest a new social, religious, or political influence, e.g., through jewellery or clothing?
- Has the student previously been a victim of a race hate or religious crime?
- Has the student experienced any major disagreements with their peers, family, or faith groups, leading to rejection, isolation, or exclusion?
- Does the student display an irregular and distorted view of religion or politics?
- Does the student display a strong objection towards specific cultures, faiths, or race?
- Is the student a foreign national awaiting a decision regarding deportation or immigration?
- Is there an irregular pattern of travel within the student's family?
- Has the student witnessed or suffered from trauma or violence in a war zone or through sectarian conflict?
- Is there evidence of a relative or family friend displaying extremist views?
- Has the student travelled for extended periods of time to international locations?
- Does the student have experience of poverty, disadvantage, discrimination, or social exclusion?
- Does the student display a lack of affinity or understanding for others?
- Is the student a victim of social isolation?
- Does the student have insecure, conflicted, or absent family relationships?

7.3 Critical indicators include where a student is:

- in contact with extremist recruiters
- articulating support for extremist causes or leaders
- accessing extremist websites
- possessing extremist literature
- using extremist narratives and a global ideology to explain personal disadvantage
- justifying the use of violence to solve societal issues

- joining extremist organisations
- making significant changes to their appearance and/or behaviour

7.4 The school will encourage staff to engage with online government resources, including the website Educate Against Hate, and the Prevent e-learning modules provided by the Home Office.

8. Making a referral

8.1 In accordance with the school's Child Protection and Safeguarding Policy, if any member of staff has concerns about a student, they will raise this with the DSL.

8.2 Parents will be contacted to discuss the issue and investigate where there are any mitigating home circumstances, unless doing so would put the student at further risk of harm. A decision will be made at this meeting to determine whether a referral should be made to Prevent. In most cases, the DSL will refer case to Prevent where there is a radicalisation concern, as appropriate.

8.3 If there is a concern about potential radicalisation into terrorism or a reason to believe that someone is susceptible to radicalisation, staff members will make referrals using the Prevent national referral form if they deem it necessary – the DSL will be notified in all cases and will support staff members who do so.

What happens when a person is referred to Prevent?

8.4 Prevent referrals will usually follow the process set out below:

1. The local police force will look at each referral first. They will check if there is an immediate security threat. They will also check if there is a genuine risk of radicalisation.
2. If the person is not at risk of radicalisation, they will not be deemed a case for Prevent. Where appropriate, the person may instead be offered other support, for example being referred to mental health services or social services.
3. If there is a risk of radicalisation, a panel of local experts will assess the referral. The panel is led by the LA and may include the police, children's services, social services, education professionals and mental health care professionals.
4. If the panel decides that a person is at risk, they will be invited to join a support programme called Channel. This is voluntary, so a person can choose whether to take part. If a person chooses not to take part in the programme, they may be offered other support instead and any risk will be managed by the police.

8.5 The support provided by the Channel programme may include the following:

- mentoring
- mental health support such as counselling
- education or career development support
- online safety training for parents

8.6 The police will be notified immediately if someone is about to put themselves or others in immediate danger, or if they appear to be involved in planning to carry out a criminal offence and the school's emergency procedures will be followed.

8.7 The DSL will record and retain all incidents for school records in accordance with the Data Protection Act 2018 and the GDPR, as outlined in the Data Protection Policy.

8.8 The school will ensure that all of those involved in a referral understand that referrals are not made to the Home Office and that getting support from Prevent is not a punishment and will not go on a person's criminal record.

9. Training

9.1 All staff will attend safeguarding training which includes information on preventing people from being drawn into terrorism or extremist groups. Prevent training will be provided annually and will be updated as required. Training will focus on the importance of following the 'Notice, Check, Share' protocol.

9.2 Staff will be provided with regular updates, notices, and emails regarding Prevent and anti-extremism as required.

9.3 The SLT and DSL will receive additional support from local partnerships and training on local processes for Prevent. When identifying training needs, consideration will be given to the level of knowledge needed for different roles.

9.4 Records will be maintained of training provided to ensure that training needs are being met and kept up to date.

9.5 Training will be quality assured by the DSL and its effectiveness reviewed regularly. The school will make use of government quality assured Prevent training resources.

9.6 Staff will be trained to be aware of and to identify concerning behaviour that may indicate a pupil is susceptible to radicalisation, e.g., voicing intolerant narratives.

9.7 Training will take account of, and be proportionate to, the risk of terrorism and extremism in the local area.

9.8 Staff will be trained to be vigilant toward the push and pull factors that could make a student vulnerable to being drawn into extremism or radicalisation.

9.9 Staff will look out for 'push factors' including where a pupil may be feeling:

- isolated
- that they do not belong
- that they have no purpose
- low in self-esteem
- that their aspirations are unmet
- angry or frustrated
- a sense of injustice
- confused about life or the world
- real or perceived personal grievances

9.10 In conjunction with these push factors, staff will be aware of the 'pull factors' that could make extremist or terrorist groups and ideologies attractive to those experiencing the above feelings.

9.11 Staff will be aware that pull factors can include where extremist or terrorist groups:

- offer a sense of community and a support network
- promise fulfilment or excitement
- make the student feel special and part of a wider missions

- offer a very narrow, manipulated version of an identity that often supports stereotypical gender norms
- offer inaccurate answers or falsehoods to grievances
- encourage conspiracy theories
- promote an 'us vs. them' mentality
- blame specific communities for grievances
- encourage the use of hatred and violent actions to get justice
- encourage ideas of supremacy

9.12 Further advice on training will be sought from the LA safeguarding team as appropriate.

10. Monitoring and review

10.1 This policy is reviewed annually by the DSL and the Headteacher.

10.2 The scheduled review date for this policy is October 2025.
